

# **REDHILL CC SPORTING 18 MILE TT.**

**19TH FEBRUARY 2017 - WESTCOTT**

**Your only chance of the year to race the GS/478!**

**This is a lovely sporting course that starts just West of Dorking in Westcott, heading East on the A25 into the Surrey Hills taking in Abinger Hammer, before heading South toward Holmbury St. Mary, then Forest Green, Ockley and a fast finish on the A24.**

**The HQ this year is really close to the start and there will be post TT refreshments.**

**The event is 50% preference to women, all this means is that in the case there is a large number of female entrants, CTT rules won't force me to discriminate the field selection. Good for any riders fancying an early season test on a beautiful hilly course suitable for road bikes.**

**Get your entries in now and start off your 2017 TT racing in style.**

**See you there!**

**25<sup>th</sup> Anniversary
